

GOVT. THAKUR RANMAT SINGH (AUTONOMOUS) COLLEGE, REWA (M.P.)

Assignment Topic

Session 2019-20

Class:- M.Sc. Maths, Semester:-Ist

Subject:- Real Analysis (P-2)

S.N	Roll No.	Name	Assignment Topic
1	19243001	Aarti Soni	A Study of Integration of vector-valued functions
2	19243002	Abhishek kumar Pathak	A Study of Riemann's theorem.
3	19243003	Ajay ku.tripathi	A Study of Sequences and series of functions
4	19243004	Ajeet Saket	A Study of Cauchy criterion for uniform convergence
5	19243005	Ajeet Tiwari	A Study of Weierstrass approximation theorem.
6	19243006	Akansha Dwivedi	A Study of Power series, uniqueness theorem for power series
7	19243007	Anamika Mishra	A Study of Functions of several variables
8	19243008	Anamika Pathak	A Study of linear transformations, derivatives in an open subset of \mathbb{R}^n .
9	19243009	Aneesh Kumar	A Study of Taylor's theorem, inverse function theorem.
10	19243010	Anil Ku. Patel	A Study of Implicit function theorem,
11	19243011	Anjali Vishwkarma	A Study of Definition and existence of Riemann-Stieltjes integral
12	19243012	Ankit Soni	A Study of Integration of vector-valued functions
13	19243013	Ankita Mishra	A Study of Riemann's theorem.
14	19243014	Anshu Pandey	A Study of Sequences and series of functions
15	19243015	Ashish Kumar Pandey	A Study of Cauchy criterion for uniform convergence
16	19243016	Ashish Kumar Saket	A Study of Weierstrass approximation theorem.
17	19243017	Ashish Tiwari	A Study of Power series, uniqueness theorem for power series
18	19243018	Ashit Jaiswal	A Study of Functions of several variables
19	19243019	Asmita Patel	A Study of linear transformations, derivatives in an open subset of \mathbb{R}^n .
20	19243020	Baby Saket	A Study of Taylor's theorem, inverse function theorem.
21	19243021	Bandana Chaturvedi	A Study of Implicit function theorem,

22	19243022	Brijesh Kumar Saket	A Study of Definition and existence of Riemann-Stieltjes integral
23	19243023	Deepanjali Sharma	A Study of Integration of vector-valued functions
24	19243024	Dharmendra	A Study of Riemann's theorem.
25	19243025	Dharmendra kumar	A Study of Sequences and series of functions
26	19243026	Dheerendra Jaiswal	A Study of Cauchy criterion for uniform convergence
27	19243027	Gyanendra Saket	A Study of Weierstrass approximation theorem.
28	19243028	Hari Shankar Soni	A Study of Power series, uniqueness theorem for power series
29	19243029	Jyoti Dahiya	A Study of Functions of several variables
30	19243030	Jyoti Sahu	A Study of linear transformations, derivatives in an open subset of R^n .
31	19243031	Kamlakar ku.Ahirwar	A Study of Taylor's theorem, inverse function theorem.
32	19243032	Komal Tiwari	A Study of Implicit function theorem,
33	19243033	Krishan Ku.Sen	A Study of Definition and existence of Riemann-Stieltjes integral
34	19243034	Lakshman Ku.Yadav	A Study of Integration of vector-valued functions
35	19243035	Madhu Garg	A Study of Riemann's theorem.
36	19243036	Manali Sharma	A Study of Sequences and series of functions
37	19243037	Manish Ku.Vishwkarma	A Study of Cauchy criterion for uniform convergence
38	19243038	Mini Dwivedi	A Study of Weierstrass approximation theorem.
39	19243039	Mragendra Mishra	A Study of Power series, uniqueness theorem for power series
40	19243040	Mukesh Ku.Tiwari	A Study of Functions of several variables
41	19243041	Muskan Tiwari	A Study of linear transformations, derivatives in an open subset of R^n .
42	19243042	Nilesh Ku. Mishra	A Study of Taylor's theorem, inverse function theorem.
43	19243043	Omkar Gautam	A Study of Implicit function theorem,
44	19243044	Pankaj Sahu	A Study of Definition and existence of Riemann-Stieltjes integral
45	19243045	Piyush Tiwari	A Study of Integration of vector-valued functions
46	19243046	Pooja Singh	A Study of Riemann's theorem.
47	19133047	Pooja Tiwari	A Study of Sequences and series of functions
48	19243048	Pooja Verma	A Study of Cauchy criterion for uniform convergence
49	19243049	Prabhat Singh	A Study of Weierstrass approximation theorem.
50	19243050	Prachi Pandey	A Study of Power series, uniqueness theorem for power series
51	19243051	Pradeep ku. patel	A Study of Functions of several variables

52	19243052	Pradeep Patel	A Study of linear transformations, derivatives in an open subset of \mathbb{R}^n .
53	19243053	Prakash Chandra	A Study of Taylor's theorem, inverse function theorem.
54	19243054	Pramod Ku. Dwivedi	A Study of Implicit function theorem,
55	19243055	Pramod ku.Soni	A Study of Definition and existence of Riemann-Stieltjes integral
56	19243056	Pramod Saket	A Study of Integration of vector-valued functions
57	19243057	Prashant Singh	A Study of Riemann's theorem.
58	19243058	Prince Shukla	A Study of Sequences and series of functions
59	19243059	Priya Patel	A Study of Cauchy criterion for uniform convergence
60	19243060	Pushpa Devi Saket	A Study of Weierstrass approximation theorem.
61	19243061	Rahul Saket	A Study of Power series, uniqueness theorem for power series
62	19243062	Rajkumar Bhartiya	A Study of Functions of several variables
63	19243063	Rajeev Saket	A Study of linear transformations, derivatives in an open subset of \mathbb{R}^n .
64	19243064	Rajneesh Saket	A Study of Taylor's theorem, inverse function theorem.
65	19243065	Rakesh Singh	A Study of Implicit function theorem,
66	19243066	Ram Khelawan	A Study of Definition and existence of Riemann-Stieltjes integral
67	19243067	Ram Kalesh Saket	A Study of Integration of vector-valued functions
68	19243068	Ranjana Chaturvedi	A Study of Riemann's theorem.
69	19243069	Rashmi Mishra	A Study of Sequences and series of functions
70	19243070	Ravi Shankar Tripathi	A Study of Cauchy criterion for uniform convergence
71	19243071	Ravi Singh	A Study of Weierstrass approximation theorem.
72	19243072	Ravi Singh	A Study of Power series, uniqueness theorem for power series
73	19243073	Ruchi Patel	A Study of Functions of several variables
74	19243074	Ruchi Shukla	A Study of linear transformations, derivatives in an open subset of \mathbb{R}^n .
75	19243075	Ruchi Tiwari	A Study of Taylor's theorem, inverse function theorem.
76	19243076	Sagar Pandey	A Study of Implicit function theorem,
77	19243077	Sakshi Singh	A Study of Definition and existence of Riemann-Stieltjes integral
78	19243078	Sakshi Verma	A Study of Integration of vector-valued functions
79	19243079	Sandhya Singh	A Study of Riemann's theorem.
80	19243080	Sandeep Saket	A Study of Sequences and series of functions
81	19243081	Sanjay Kori	A Study of Cauchy criterion for uniform

			convergence
82	19243082	Sanyogita Tomar	A Study of Weierstrass approximation theorem.
83	19243083	Sarvesh Patel	A Study of Power series, uniqueness theorem for power series
84	19243084	Satish Ku.Dwivedi	A Study of Functions of several variables
85	19243085	Shailesh Pandey	A Study of linear transformations, derivatives in an open subset of R^n .
86	19243086	Shalini Singh	A Study of Taylor's theorem, inverse function theorem.
87	19243087	Sheela Singh	A Study of Implicit function theorem,
88	19243088	Shikha Mishra	A Study of Definition and existence of Riemann-Stieltjes integral
89	19243089	Shivam Ku. Dwivedi	A Study of Integration of vector-valued functions
90	19243090	Shivam Soni	A Study of Riemann's theorem.
91	19243091	Shivani Soni	A Study of Sequences and series of functions
92	19243092	Shivanshi Shukla	A Study of Cauchy criterion for uniform convergence
93	19243093	Shreya Pandey	A Study of Weierstrass approximation theorem.
94	19243094	Shyam ji Dwivedi	A Study of Power series, uniqueness theorem for power series
95	19243095	Siddhi Tripatha	A Study of Functions of several variables
96	19243096	Sneh Mishra	A Study of linear transformations, derivatives in an open subset of R^n .
97	19243097	Sneha Pandey	A Study of Taylor's theorem, inverse function theorem.
98	19243098	Sundar Lal Tiwari	A Study of Implicit function theorem,
99	19243099	Sushmita Singh	A Study of Definition and existence of Riemann-Stieltjes integral
100	19243100	Swati Mishra	A Study of Integration of vector-valued functions
101	19243101	Tanuja Singh	A Study of Riemann's theorem.
102	19243102	Uma Sharma	A Study of Sequences and series of functions
103	19243103	Urmila Gupta	A Study of Cauchy criterion for uniform convergence
104	19243104	Vandana Dwivedi	A Study of Weierstrass approximation theorem.
105	19243105	Varsha Dwivedi	A Study of Power series, uniqueness theorem for power series
106	19243106	Vidhya nidhi Mishra	A Study of Functions of several variables
107	19243107	Vijay Kushwaha	A Study of linear transformations, derivatives in an open subset of R^n .
108	19243108	Vikash Kumar Mishra	A Study of Taylor's theorem, inverse function theorem.
109	19243109	Vipin Khushwaha	A Study of Implicit function theorem,
110	19243110	Yogesh Singh	A Study of Definition and existence of Riemann-

			Stieltjes integral
