

GOVT. THAKUR RANMAT SINGH (AUTONOMUS)COLLEGE,REWA(M.P.)

Session 2018-19

Class:-B.Sc.(Hons.)Maths ,Semester:- VIth

Subject:-Maths(H-12)

Paper Title : Mathematics (Statistical Method)

S.N	Roll No.	Name	Seminar Topic
1	16133001	AKASH KUSHWAHA	A Study of standard deviation
2	16133002	AARTI SONI	A Study of Probability, event sample space probability of an event.
3	16133003	AASHISH KUMAR MISHRA	A Study of measures of Dispersion-Range
4	16133004	ABHIJEET SINGH	A Study of mean deviation, moments.
5	16133005	ABHILASH PATHAK	A Study of rectangular and exponential distributions, their properties and uses.
6	16133006	ABHISHEK KUMAR DWIVEDI	A Study of mathematical expectation-expectation of sum and product of random variables
7	16133007	ABHISHEK KUMAR GUPTA	A Study of moment generating function.
8	16133008	ABHISHEK KUMAR PATHAK	A Study of Binomial distribution
9	16133011	ABHISHEK SINGH	A Study of measures of central tendency,
10	16133012	ADARSH PRABHAKAR	A Study of mean, median, mode,
11	16133013	ADARSH SHUKLA	A Study of standard deviation
12	16133014	ADITI GUPTA	A Study of Probability, event sample space probability of an event.
13	16133018	AJAY KUMAR SONDHIYA	A Study of measures of Dispersion-Range
14	16133019	AJAY KUSHWAHA	A Study of mean deviation, moments.

15	16133020	AJAY SINGH	A Study of rectangular and exponential distributions, their properties and uses.
16	16133021	AJEET KUMAR PRAJAPATI	A Study of mathematical expectation-expectation of sum and product of random variables
17	16133022	AJEET SHUKLA	A Study of moment generating function.
18	16133023	AJEET SHUKLA	A Study of Binomial distribution
19	16133024	AJEET TIWARI	A Study of measures of central tendency,
20	16133025	AKANKSHA DWIVEDI	A Study of mean, median, mode,
21	16133026	AKANKSHA DWIVEDI	A Study of standard deviation
22	16133027	AKASH DWEEP DWIVEDI	A Study of Probability, event sample space probability of an event.
23	16133028	AKASH KUMAR RAJAK	A Study of measures of Dispersion-Range
24	16133029	AKASH KUSHWAHA	A Study of mean deviation, moments.
25	16133030	AKASH SAKET	A Study of rectangular and exponential distributions, their properties and uses.
26	16133031	AKHILESH KUMAR PATEL	A Study of mathematical expectation-expectation of sum and product of random variables
27	16133034	AMAN SHUKLA	A Study of moment generating function.
28	16133035	AMAR KUMAR TIWARI	A Study of Binomial distribution
29	16133036	AMAR KUSHWAHA	A Study of measures of central tendency,
30	16133038	AMBUJ KUMAR PATHAK	A Study of mean, median, mode,
31	16133039	AMIT KUMAR PANDEY	A Study of standard deviation
32	16133041	AMIT KUMAR SEN	A Study of Probability, event sample space probability of an event.
33	16133043	AMIT SINGH	A Study of measures of Dispersion-Range
34	16133044	AMRITA GARG	A Study of mean deviation, moments.
35	16133046	ANAND SHAH	A Study of rectangular and exponential distributions, their properties and uses.
36	16133047	ANANT TIWARI	A Study of mathematical expectation-expectation of sum and product of random variables
37	16133048	ANCHAL DWIVEDI	A Study of moment generating function.

38	16133049	ANCHAL SHUKLA	A Study of Binomial distribution
39	16133050	ANEESH KUMAR CHARMKAR	A Study of measures of central tendency,
40	16133051	ANEESH KUMAR MISHRA	A Study of mean, median, mode,
41	16133052	ANIKET MISHRA	A Study of standard deviation
42	16133053	ANIL KUMAR PATEL	A Study of Probability, event sample space probability of an event.
43	16133054	ANIL KUMAR VISHWAKARMA	A Study of measures of Dispersion-Range
44	16133055	ANIRUDDHA SINGH	A Study of mean deviation, moments.
45	16133056	ANIT KUMAR SAKET	A Study of rectangular and exponential distributions, their properties and uses.
46	16133057	ANJALI CHATURVED	A Study of mathematical expectation-expectation of sum and product of random variables
47	16133058	ANJALI GUPTA	A Study of moment generating function.
48	16133059	ANJALI SONI	A Study of Binomial distribution
49	16133060	ANJALI TRIPATHI	A Study of measures of central tendency,
50	16133061	ANJALI VISHWAKARMA	A Study of mean, median, mode,
51	16133062	ANKIT KUMAR MISHRA	A Study of standard deviation
52	16133063	ANKIT KUMAR PATEL	A Study of Probability, event sample space probability of an event.
53	16133064	ANKIT KUMAR SHARMA	A Study of measures of Dispersion-Range
54	16133065	ANKIT SHUKLA	A Study of mean deviation, moments.
55	16133066	ANKIT SINGH	A Study of rectangular and exponential distributions, their properties and uses.
56	16133067	ANKIT SONI	A Study of mathematical expectation-expectation of sum and product of random variables
57	16133068	ANKIT TIWARI	A Study of moment generating function.
58	16133069	ANKIT TRIPATHI	A Study of Binomial distribution
59	16133070	ANKIT TRIPATHI	A Study of measures of central tendency,

60	16133071	ANKITA JAISWAL	A Study of mean, median, mode,
61	16133072	ANKITA SINGH	A Study of standard deviation
62	16133073	ANKUSH KUMAR YADAV	A Study of Probability, event sample space probability of an event.
63	16133074	ANOOP PRATAP SINGH	A Study of measures of Dispersion-Range
64	16133076	ANUJ SINGH	A Study of mean deviation, moments.
65	16133078	ANUPAM CHATURVEDI	A Study of rectangular and exponential distributions, their properties and uses.
66	16133079	ANUPAM PANDEY	A Study of mathematical expectation-expectation of sum and product of random variables
67	16133080	ARJUN SINGH	A Study of moment generating function.
68	16133083	ASHEESH KUMAR KUSHWAHA	A Study of Binomial distribution
69	16133084	ASHISH KUMAR DAHAYAT	A Study of measures of central tendency,
70	16133086	ASHISH KUMAR TIWARI	A Study of mean, median, mode,
71	16133088	ASHISH RAWAT	A Study of standard deviation
72	16133089	ASHISH SINGH	A Study of Probability, event sample space probability of an event.
73	16133090	ASHISH TIWARI	A Study of measures of Dispersion-Range
74	16133091	ASHUTOSH CHAURASIYA	A Study of mean deviation, moments.
75	16133092	ASHWANI KUMAR MISHRA	A Study of rectangular and exponential distributions, their properties and uses.
76	16133093	ATUL KUMAR MISHRA	A Study of mathematical expectation-expectation of sum and product of random variables
77	16133094	ATUL KUMAR TRIPATHI	A Study of moment generating function.
78	16133096	AVANEESH TIWARI	A Study of Binomial distribution
79	16133098	AYUSHI MISHRA	A Study of measures of central tendency,
80	16133099	BADAL PATEL	A Study of mean, median, mode,
81	16133101	BHANU PRATAP SINGH	A Study of standard deviation
82	16133103	BHUPENDRA	A Study of Probability, event sample space

		KUMAR PANDEY	probability of an event.
83	16133105	BIHARI LAL BAIS	A Study of measures of Dispersion-Range
84	16133106	BRIJENDRA KUMAR CHAURASIYA	A Study of mean deviation, moments.
85	16133107	BRIJESH KUMAR SINGH	A Study of rectangular and exponential distributions, their properties and uses.
86	16133108	CHANDRA BABU PATEL	A Study of mathematical expectation-expectation of sum and product of random variables
87	16133109	DEENBANDHU SONI	A Study of moment generating function.
88	16133110	DEEP PRAKASH TIWARI	A Study of Binomial distribution
89	16133111	DEEPAK CHAUDHARY	A Study of measures of central tendency,
90	16133112	DEEPAK SAKET	A Study of mean, median, mode,
91	16133113	DEEPAK SINGH PATEL	A Study of standard deviation
92	16133114	DEEPANJALI SHARMA	A Study of Probability, event sample space probability of an event.
93	16133115	DEEPESH KUMAR TIWARI	A Study of measures of Dispersion-Range
94	16133116	DEEPIKA SINGH	A Study of mean deviation, moments.
95	16133117	DEVDATTA TIWARI	A Study of rectangular and exponential distributions, their properties and uses.
96	16133118	DEVESH BOUDH	A Study of mathematical expectation-expectation of sum and product of random variables
97	16133119	DHARMENDRA KUMAR PANDEY	A Study of moment generating function.
98	16133120	DHEERAJ JAISWAL	A Study of Binomial distribution
99	16133121	DHEERAJ KUMAR KUSHWAHA	A Study of measures of central tendency,
100	16133123	DIGVIJAY SINGH	A Study of mean, median, mode,
101	16133125	DIVYESH SHUKLA	A Study of standard deviation
102	16133126	DIWAKAR KUMAR SAKET	A Study of Probability, event sample space probability of an event.
103	16133127	DURGA KUSHWAHA	A Study of measures of Dispersion-Range

104	16133128	FAIZ SIDDIQUI	A Study of mean deviation, moments.
105	16133129	FARNISH KUMAR PANDEY	A Study of rectangular and exponential distributions, their properties and uses.
106	16133130	GAGAN PATEL	A Study of mathematical expectation-expectation of sum and product of random variables
107	16133131	GANESH KUMAR SAHU	A Study of moment generating function.
108	16133133	GAURAV KUMAR SAKET	A Study of Binomial distribution
109	16133135	GOLDI MISHRA	A Study of measures of central tendency,
110	16133136	HARISH KUMAR GAUTAM	A Study of mean, median, mode,
111	16133137	HARSHIT SHUKLA	A Study of standard deviation
112	16133138	HEMANSHU SINGH	A Study of Probability, event sample space probability of an event.
113	16133139	ISHU SINGH	A Study of measures of Dispersion-Range
114	16133140	JAGRITI SHUKLA	A Study of mean deviation, moments.
115	16133141	JASRAJ KUSHWAHA	A Study of rectangular and exponential distributions, their properties and uses.
116	16133142	JAY PRAKASH JAYSWAL	A Study of mathematical expectation-expectation of sum and product of random variables
117	16133143	JAY SINGH	A Study of moment generating function.
118	16133144	JAYA GAUTAM	A Study of Binomial distribution
119	16133145	JEETENDRA KUSHWAHA	A Study of measures of central tendency,
120	16133146	JITENDRA KUMAR PATEL	A Study of mean, median, mode,
121	16133147	JYOTI DAHIYA	A Study of standard deviation
122	16133148	JYOTI SAHU	A Study of Probability, event sample space probability of an event.
123	16133149	KAJAL PANDEY	A Study of measures of Dispersion-Range
124	16133150	KAJAL RAJPAL	A Study of mean deviation, moments.
125	16133151	KAJAL UPADHYAY	A Study of rectangular and exponential

			distributions, their properties and uses.
126	16133152	KAMALNAYAN VISHWAKARMA	A Study of mathematical expectation-expectation of sum and product of random variables
127	16133153	KAMLAKAR KUMAR AHIRWAR	A Study of moment generating function.
128	16133155	KAMLESHWAR PRASAD PANIKA	A Study of Binomial distribution
129	16133156	KANCHAN KUSHWAHA	A Study of measures of central tendency,
130	16133157	KARAN PATEL	A Study of mean, median, mode,
131	16133158	KAUSHALESH KUMAR	A Study of standard deviation
132	16133159	KEERTI MISHRA	A Study of Probability, event sample space probability of an event.
133	16133160	KM AYUSHI GUPTA	A Study of measures of Dispersion-Range
134	16133161	KOMAL DWIVEDI	A Study of mean deviation, moments.
135	16133162	KRISHN KANT SAKET	A Study of rectangular and exponential distributions, their properties and uses.
136	16133163	KRISHNA KANT SAKET	A Study of mathematical expectation-expectation of sum and product of random variables
137	16133164	KRISHNA KUMAR SEN	A Study of moment generating function.
138	16133165	KRISHNA PRATAP SINGH	A Study of Binomial distribution
139	16133166	KSHAMA SINGH PARIHAR	A Study of measures of central tendency,
140	16133167	KULDEEP MISHRA	A Study of mean, median, mode,
141	16133168	KUMARI RESHU SINGH	A Study of standard deviation
142	16133170	LAVKUSH PRASAD PATEL	A Study of Probability, event sample space probability of an event.
143	16133171	LAXMI NARAYAN UPADHYAY	A Study of measures of Dispersion-Range
144	16133172	LEKHPAL PATEL	A Study of mean deviation, moments.
145	16133173	LOVKUSH PATEL	A Study of rectangular and exponential

			distributions, their properties and uses.
146	16133174	MANISH KUMAR PATEL	A Study of mathematical expectation-expectation of sum and product of random variables
147	16133175	MANISH VISHWAKARMA	A Study of moment generating function.
148	16133178	MINI DWIVEDI	A Study of Binomial distribution
149	16133179	MITHILESH KUMAR DEEPANKAR	A Study of measures of central tendency,
150	16133181	MRATYUNJAY DWIVEDI	A Study of mean, median, mode,
151	16133182	MUKESH KUMAR JAYSWAL	A Study of standard deviation
152	16133183	MUKESH KUMAR TIWARI	A Study of Probability, event sample space probability of an event.
153	16133185	NARENDRA KUMAR BASOR	A Study of measures of Dispersion-Range
154	16133185	NAVNEET KUMAR MISHRA	A Study of mean deviation, moments.
155	16133186	NAVNEET KUMAR MISHRA	A Study of rectangular and exponential distributions, their properties and uses.
156	16133187	NAVNEET PATEL	A Study of mathematical expectation-expectation of sum and product of random variables
157	16133188	NEELAM DWIVEDI	A Study of moment generating function.
158	16133189	NEELAM KUMARI JAISWAL	A Study of Binomial distribution
159	16133190	NEERAJ KUMAR TIWARI	A Study of measures of central tendency,
160	16133191	NEERAJ VISHWAKARMA	A Study of mean, median, mode,
161	16133192	NEETESH KUMAR PATEL	A Study of standard deviation

162	16133193	NIKITA SHUKLA	A Study of Probability, event sample space probability of an event.
163	16133194	NILESH PATEL	A Study of measures of Dispersion-Range
164	16133195	NISHTHA DWIVEDI	A Study of mean deviation, moments.
165	16133196	NITESH PATEL	A Study of rectangular and exponential distributions, their properties and uses.
166	16133197	PANKAJ KUMAR KUSHWAHA	A Study of mathematical expectation-expectation of sum and product of random variables
167	16133198	PANKAJ PATEL	A Study of moment generating function.
168	16133200	PANKAJ SAHU	A Study of Binomial distribution
169	16133201	PAWAN KUMAR MISHRA	A Study of measures of central tendency,
170	16133202	PAWAN KUMAR TIWARI	A Study of mean, median, mode,
171	16133204	PIYUSH KUMAR MISHRA	A Study of standard deviation
172	16133205	POOJA MISHRA	A Study of Probability, event sample space probability of an event.
173	16133206	POOJA UPADHYAY	A Study of measures of Dispersion-Range
174	16133207	POONAM DWIVEDI	A Study of mean deviation, moments.
175	16133208	POONAM KANAUJIYA	A Study of rectangular and exponential distributions, their properties and uses.
176	16133209	PRABHAT KUMAR CHAURASIYA	A Study of mathematical expectation-expectation of sum and product of random variables
177	16133210	PRABHAT SINGH	A Study of moment generating function.
178	16133211	PRACHI CHATURVEDI	A Study of Binomial distribution
179	16133212	PRACHI PANDEY	A Study of measures of central tendency,
180	16133213	PRACHI SINGH	A Study of mean, median, mode,

181	16133214	PRADEEP KUMAR PATEL	A Study of standard deviation
182	16133215	PRADEEP KUMAR PATEL	A Study of Probability, event sample space probability of an event.
183	16133216	PRADEEP SINGH PARIHAR	A Study of measures of Dispersion-Range
184	16133217	PRAKASH CHANDRA UPADHYAY	A Study of mean deviation, moments.
185	16133219	PRAKASH TIWARI	A Study of rectangular and exponential distributions, their properties and uses.
186	16133220	PRAPHULL DWIVEDI	A Study of mathematical expectation-expectation of sum and product of random variables
187	16133221	PRATEEK DWIVEDI	A Study of moment generating function.
188	16133222	PRATEEK PUSHKAR	A Study of Binomial distribution
189	16133223	PRATI KSHA SINGH	A Study of measures of central tendency,
190	16133224	PRATIMA DWIVEDI	A Study of mean, median, mode,
191	16133225	PRATISHTHA RAY	A Study of standard deviation
192	16133226	PRATUL TRIPATHI	A Study of Probability, event sample space probability of an event.
193	16133227	PREETI PATEL	A Study of measures of Dispersion-Range
194	16133228	PRINCE SHUKLA	A Study of mean deviation, moments.
195	16133229	PRINCE TIWARI	A Study of rectangular and exponential distributions, their properties and uses.
196	16133230	PRINS KUMAR GUPTA	A Study of mathematical expectation-expectation of sum and product of random variables
197	16133232	PRIYA PATEL	A Study of moment generating function.
198	16133233	PROMINS PATEL	A Study of Binomial distribution
199	16133234	PUNEET NARAYAN MISHRA	A Study of measures of central tendency,
200	16133235	PUSHPENDRA	A Study of mean, median, mode,

		KUMAR TIWARI	
201	16133236	PUSPENDER PATEL RAGNEE VISHWAKARMA	A Study of standard deviation
202	16133237	RAHUL NAMDEVA	A Study of Probability, event sample space probability of an event.
203	16133238	RAHUL SATNAMI	A Study of measures of Dispersion-Range
204	16133239	RAHUL SATNAMI	A Study of mean deviation, moments.
205	16133240	RAHUL SONI	A Study of rectangular and exponential distributions, their properties and uses.
206	16133241	RAJ KUMAR BHARTIYA	A Study of mathematical expectation-expectation of sum and product of random variables
207	16133243	RAJEEV KUMAR DWIVEDI	A Study of moment generating function.
208	16133244	RAJEEV SAKET	A Study of Binomial distribution
209	16133245	RAJESH KUMAR PATEL	A Study of measures of central tendency,
210	16133246	RAJNEESH KUMAR SEN	A Study of mean, median, mode,
211	16133247	RAJNEESH SINGH	A Study of standard deviation
212	16133248	RAKESH PATEL	A Study of Probability, event sample space probability of an event.
213	16133249	RAM KHELAWAN PATEL	A Study of measures of Dispersion-Range
214	16133250	RAMSUMIRAN SAKET	A Study of mean deviation, moments.
215	16133251	RANJANA CHATURVEDI	A Study of rectangular and exponential distributions, their properties and uses.
216	16133252	RASHMI MISHRA	A Study of mathematical expectation-expectation of sum and product of random variables
217	16133253	RAVENDRA PANDEY	A Study of moment generating function.

218	16133254	RAVENDRA SINGH	A Study of Binomial distribution
219	16133255	RAVI KANT BAIS	A Study of measures of central tendency,
220	16133256	RAVI SHANKAR TRIPATHI	A Study of mean, median, mode,
221	16133257	RAVI SINGH	A Study of standard deviation
222	16133258	RAYBAHADUR SINGH GOND	A Study of Probability, event sample space probability of an event.
223	16133259	RICHA PATHAK	A Study of measures of Dispersion-Range
224	16133261	RITESH KUMAR MISHRA	A Study of mean deviation, moments.
225	16133262	RITESH KUMAR PANDEY	A Study of rectangular and exponential distributions, their properties and uses.
226	16133263	RITESH PANDEY	A Study of mathematical expectation-expectation of sum and product of random variables
227	16133264	ROHIT KUMAR SEN	A Study of moment generating function.
228	16133265	RUCHI PANDEY	A Study of Binomial distribution
229	16133266	RUCHI PATEL	A Study of measures of central tendency,
230	16133267	SACHI SINGH	A Study of mean, median, mode,
231	16133269	SACHIN KUMAR PATEL	A Study of standard deviation
232	16133270	SACHIN KUMAR SHUKLA	A Study of Probability, event sample space probability of an event.
233	16133271	SAKSHI GAUTAM	A Study of measures of Dispersion-Range
234	16133272	SAKSHI MISHRA	A Study of mean deviation, moments.
235	16133273	SANDEEP JAISWAL	A Study of rectangular and exponential distributions, their properties and uses.
236	16133274	SANDEEP KUMAR MISHRA	A Study of mathematical expectation-expectation of sum and product of random variables
237	16133275	SANDEEP KUMAR	A Study of moment generating function.

		SAKET	
238	16133276	SANDEEP KUSHWAHA	A Study of Binomial distribution
239	16133277	SANDEEP PRAJAPATI	A Study of measures of central tendency,
240	16133279	SANDEEP YADAV	A Study of mean, median, mode,
241	16133280	SANDIP SAKET	A Study of standard deviation
242	16133281	SANGEETA BHUJWA	A Study of Probability, event sample space probability of an event.
243	16133282	SANGEETA VERMA	A Study of measures of Dispersion-Range
244	16133283	SANJAY KORI	A Study of mean deviation, moments.
245	16133284	SANJAY KUMAR PATEL	A Study of rectangular and exponential distributions, their properties and uses.
246	16133285	SANJAY KUMAR PATEL	A Study of mathematical expectation-expectation of sum and product of random variables
247	16133286	SANJAY KUMAR TIWARI	A Study of moment generating function.
248	16133287	SANJEEV PATEL	A Study of Binomial distribution
249	16133288	SARITA TIWARI	A Study of measures of central tendency,
250	16133289	SARVESH PATEL	A Study of mean, median, mode,
251	16133290	SATWIK SINGH	A Study of standard deviation
252	16133291	SATYAM PANDEY	A Study of Probability, event sample space probability of an event.
253	16133292	SATYAM SHUKLA	A Study of measures of Dispersion-Range
254	16133293	SATYAWAN PANDEY	A Study of mean deviation, moments.
255	16133294	SAURABH DWIVEDI	A Study of rectangular and exponential distributions, their properties and uses.
256	16133295	SAURABH DWIVEDI	A Study of mathematical expectation-expectation

			of sum and product of random variables
257	16133296	SAURABH KUMAR TIWARI	A Study of moment generating function.
258	16133297	SAURABH MISHRA	A Study of Binomial distribution
259	16133298	SAURABH PANDAY	A Study of measures of central tendency,
260	16133299	SAURABH PANDEY	A Study of mean, median, mode,
261	16133301	SHAILAJA SHUKLA	A Study of standard deviation
262	16133302	SHAILENDRA SINGH	A Study of Probability, event sample space probability of an event.
263	16133303	SHAILESH PANDEY	A Study of measures of Dispersion-Range
264	16133304	SHALINI DWIVEDI	A Study of mean deviation, moments.
265	16133305	SHALINI SINGH	A Study of rectangular and exponential distributions, their properties and uses.
266	16133307	SHANTI PRAJAPATI	A Study of mathematical expectation-expectation of sum and product of random variables
267	16133308	SHARAD KUMAR PATAWA	A Study of moment generating function.
268	16133309	SHASHANK DUBEY	A Study of Binomial distribution
269	16133311	SHIVAM HALWAI	A Study of measures of central tendency,
270	16133312	SHIVAM KUMAR DWIVEDI	A Study of mean, median, mode,
271	16133313	SHIVAM PATHAK	A Study of standard deviation
272	16133315	SHIVAM SINGH BHADAURIYA	A Study of Probability, event sample space probability of an event.
273	16133316	SHIVANI GUPTA	A Study of measures of Dispersion-Range
274	16133318	SHIVANSHI SINGH	A Study of mean deviation, moments.
275	16133319	SHIVENDRA KUMAR PATEL	A Study of rectangular and exponential distributions, their properties and uses.
276	16133320	SHIVENDRA KUMAR SHUKLA	A Study of mathematical expectation-expectation of sum and product of random variables
277	16133322	SHIVENDRA	A Study of moment generating function.

		PRATAP SINGH	
278	16133323	SHREYANSH TIWARI	A Study of Binomial distribution
279	16133324	SHRI KRISHNA SHUKLA	A Study of measures of central tendency,
280	16133325	SHRISHTI SINGH	A Study of mean, median, mode,
281	16133326	SHRIYA TIWARI	A Study of standard deviation
282	16133327	SHUBHAM AGNIHOTRI	A Study of Probability, event sample space probability of an event.
283	16133328	SHUBHAM KUMAR CHAURASIYA	A Study of measures of Dispersion-Range
284	16133329	SHUBHAM SONI	A Study of mean deviation, moments.
285	16133330	SHUBHAM TIWARI	A Study of rectangular and exponential distributions, their properties and uses.
286	16133331	SHUBHAM TIWARI	A Study of mathematical expectation-expectation of sum and product of random variables
287	16133332	SHUSMITA SINGH CHANDROL	A Study of moment generating function.
288	16133333	SHWETA DWIVEDI	A Study of Binomial distribution
289	16133334	SHYAM JI DWIVEDI	A Study of measures of central tendency,
290	16133335	SNEH MISHRA	A Study of mean, median, mode,
291	16133336	SOMESH KUMAR PATEL	A Study of standard deviation
292	16133338	SUDHA PATEL	A Study of Probability, event sample space probability of an event.
293	16133339	SUJEET TRIPATHI	A Study of measures of Dispersion-Range
294	16133340	SUMIT KUMAR PANDEY	A Study of mean deviation, moments.
295	16133341	SUMIT SHUKLA	A Study of rectangular and exponential distributions, their properties and uses.
296	16133342	SUNDAR LAL	A Study of mathematical expectation-expectation

		TIWARI	of sum and product of random variables
297	16133344	SURAJ KUMAR VISHWAKARMA	A Study of moment generating function.
298	16133345	SURAJ PATEL	A Study of Binomial distribution
299	16133347	SURAJ TIWARI	A Study of measures of central tendency,
300	16133348	SURESH SAHU	A Study of mean, median, mode,
301	16133349	SWATANTRA KUMAR TIWARI	A Study of standard deviation
302	16133350	SWATI MISHRA	A Study of Probability, event sample space probability of an event.
303	16133351	SWATI PANDEY	A Study of measures of Dispersion-Range
304	16133352	TANUJA SINGH	A Study of mean deviation, moments.
305	16133355	UPENDRA UPADHYAY	A Study of rectangular and exponential distributions, their properties and uses.
306	16133356	URMILA GUPTA	A Study of mathematical expectation-expectation of sum and product of random variables
307	16133357	VAISHALI VERMA	A Study of moment generating function.
308	16133358	VANDANA MISHRA	A Study of Binomial distribution
309	16133359	VARSHA DWIVEDI	A Study of measures of central tendency,
310	16133360	VARSHA MISHRA	A Study of mean, median, mode,
311	16133362	VED PRAKASH MISHRA	A Study of standard deviation
312	16133363	VEDANT SINGH	A Study of Probability, event sample space probability of an event.
313	16133364	VEERNDRA KUMAR SAKET	A Study of measures of Dispersion-Range
314	16133366	VIDYASAGAR BHARDWAJ	A Study of mean deviation, moments.
315	16133367	VIJAY DWIVEDI	A Study of rectangular and exponential

			distributions, their properties and uses.
316	16133369	VIJAY RAJ MOHAN	A Study of mathematical expectation-expectation of sum and product of random variables
317	16133370	VIKAS GUPTA	A Study of moment generating function.
318	16133371	VIKAS KUMAR TRIPATHI	A Study of Binomial distribution
319	16133372	VIKASH KUMAR KARPENTAR	A Study of measures of central tendency,
320	16133373	VIKASH KUMAR MISHRA	A Study of mean, median, mode,
321	16133374	VIKASH KUMAR TIWARI	A Study of standard deviation
322	16133375	VIKASH PATEL	A Study of Probability, event sample space probability of an event.
323	16133376	VINAY KUMAR PATEL	A Study of measures of Dispersion-Range
324	16133377	VINAY KUMAR TIWARI	A Study of mean deviation, moments.
325	16133378	VINAY SINGH PARIHAR	A Study of rectangular and exponential distributions, their properties and uses.
326	16133379	VIPIN SINGH	A Study of mathematical expectation-expectation of sum and product of random variables
327	16133380	VIRENDRA SAHU	A Study of moment generating function.
328	16133381	VISHAKHA TRIPATHI	A Study of Binomial distribution
329	16133382	VISHWANATH CHAUDHARY	A Study of measures of central tendency,
330	16133383	VISHWJEET SINGH	A Study of mean, median, mode,
331	16133384	VIVEK KUMAR URMALIYA	A Study of standard deviation
332	16133385	VIVEK MISHRA	A Study of Probability, event sample space probability of an event.

333	16133386	VIVEK SHARMA	A Study of measures of Dispersion-Range
334	16133388	YOGESH DWIVEDI	A Study of mean deviation, moments.
