

**GOVT. THAKUR RANMAT SINGH (AUTONOMOUS) COLLEGE, REWA (M.P.)**

**Assignment Topic**

**Session:-2019-2020**

**Class:-B.Sc.(Hons.) Maths, Semester:- VI<sup>th</sup>**

**Subject:-Maths (H-12)**

**Paper Title: Mathematics (Statistical Method)**

| <b>S.N</b> | <b>Roll No.</b> | <b>Name</b>             | <b>Assignment Topic</b>   |
|------------|-----------------|-------------------------|---|
| 1          | 17133001        | AAYUSH PANDEY           | A Study of mean, median, mode with example  |
| 2          | 17133002        | AAYUSHI TIWARI          | A Study of standard deviation with example  |
| 3          | 17133003        | ABHA TRIPATHI           | A Study of Probability, event sample space probability of an event.                     |
| 4          | 17133004        | ABHAY KUMAR VAIS        | A Study of measures of Dispersion-Range   |
| 5          | 17133005        | ABHINAY PRATAP SINGH    | A Study of mean deviation, moments with example   |
| 6          | 17133006        | ABHISHEK BAIS           | A Study of rectangular and exponential distributions, their properties and uses.        |
| 7          | 17133007        | ABHISHEK CHATURVEDI     | A Study of mathematical expectation- expectation of sum and product of random variables |
| 8          | 17133008        | ABHISHEK GUPTA          | A Study of moment generating function.  |
| 9          | 17133009        | ABHISHEK KUMAR DUBEY    | A Study of Binomial distribution and related theorem                                    |
| 10         | 17133010        | ABHISHEK KUMAR TRIPATHI | A Study of measures of central tendency with example                                    |
| 11         | 17133011        | ABHISHEK KUSHWAHA       | A Study of mean, median, mode with example  |
| 12         | 17133012        | ABHISHEK MISHRA         | A Study of standard deviation with example  |
| 13         | 17133013        | ABHISHEK PANDEY         | A Study of Probability, event sample space  |

|    |          |                            |  |
|----|----------|----------------------------|--|
|    |          |                            | probability of an event.   |
| 14 | 17133014 | ABHISHEK SHUKLA            | A Study of measures of Dispersion-Range  |
| 15 | 17133015 | ABHISHEK SINGH             | A Study of mean deviation, moments with example  |
| 16 | 17133016 | ABHISHEK TIWARI            | A Study of rectangular and exponential distributions, their properties and uses.       |
| 17 | 17133017 | ADARSH CHAUDHARI           | A Study of mathematical expectation-expectation of sum and product of random variables |
| 18 | 17133018 | ADARSH KUMAR VAISHYA       | A Study of moment generating function.   |
| 19 | 17133019 | ADARSH PANDEY              | A Study of Binomial distribution and related theorem                                   |
| 20 | 17133020 | ADARSH PANDEY              | A Study of measures of central tendency with example                                   |
| 21 | 17133022 | ADARSH SHARMA              | A Study of mean, median, mode with example   |
| 22 | 17133023 | ADARSH SHUKLA              | A Study of standard deviation with example   |
| 23 | 17133024 | ADARSH SINGH               | A Study of Probability, event sample space probability of an event.                    |
| 24 | 17133025 | ADARSH TIWARI              | A Study of measures of Dispersion-Range  |
| 25 | 17133026 | ADITYA KUMAR KUSHWAHA      | A Study of mean deviation, moments with example  |
| 26 | 17133027 | ADITYA NARAYAN SHUKLA      | A Study of rectangular and exponential distributions, their properties and uses.       |
| 27 | 17133028 | ADITYA VIKRAM SINGH BAGHEL | A Study of mathematical expectation-expectation of sum and product of random variables |
| 28 | 17133029 | AJAY KUMAR MISHRA          | A Study of moment generating function.   |
| 29 | 17133030 | AJAY KUMAR NAMDEO          | A Study of Binomial distribution and related theorem                                   |

|    |          |                             |   |
|----|----------|-----------------------------|---|
| 30 | 17133031 | AJAY KUMAR SAHU             | A Study of measures of central tendency with example                                    |
| 31 | 17133032 | AJAY KUMAR SAKET            | A Study of mean, median, mode with example  |
| 32 | 17133033 | AJAY MISHRA                 | A Study of standard deviation with example  |
| 33 | 17133034 | AJEET KUMAR<br>ADIVASI      | A Study of Probability, event sample space probability of an event.                     |
| 34 | 17133035 | AKANKSHA<br>DWIVEDI         | A Study of measures of Dispersion-Range   |
| 35 | 17133036 | AKANKSHA MISHRA             | A Study of mean deviation, moments with example   |
| 36 | 17133037 | AKANKSHA MISHRA             | A Study of rectangular and exponential distributions, their properties and uses.        |
| 37 | 17133038 | AKANKSHA PANDEY             | A Study of mathematical expectation- expectation of sum and product of random variables |
| 38 | 17133039 | AKANKSHA<br>TRIPATHI        | A Study of moment generating function.  |
| 39 | 17133040 | AKASH KUMAR<br>PATEL        | A Study of Binomial distribution and related theorem                                    |
| 40 | 17133041 | AKASH KUMAR<br>PATEL        | A Study of measures of central tendency with example                                    |
| 41 | 17133042 | AKASH KUMAR<br>PATEL        | A Study of mean, median, mode with example  |
| 42 | 17133043 | AKASH KUMAR<br>SHARMA       | A Study of standard deviation with example  |
| 43 | 17133044 | AKASH KUMAR<br>TIWARI       | A Study of Probability, event sample space probability of an event.                     |
| 44 | 17133045 | AKASH TIWARI                | A Study of measures of Dispersion-Range   |
| 45 | 17133046 | AKHILESH DWIVEDI            | A Study of mean deviation, moments with example   |
| 46 | 17133047 | AKHILESH KUMAR<br>AGNIHOTRI | A Study of rectangular and exponential distributions, their properties and uses.        |
| 47 | 17133048 | AKHILESH KUMAR<br>GUPTA     | A Study of mathematical expectation- expectation of sum and product of random variables |

|    |          |                           |   |
|----|----------|---------------------------|---|
| 48 | 17133049 | AKHILESH KUMAR<br>GUPTA   | A Study of moment generating function.  |
| 49 | 17133051 | AKRITI SINGH              | A Study of Binomial distribution and related theorem                                    |
| 50 | 17133052 | ALOK SINGH                | A Study of measures of central tendency with example                                    |
| 51 | 17133053 | AMAN KUMAR<br>DEEPANKAR   | A Study of mean, median, mode with example  |
| 52 | 17133054 | AMAN KUMAR<br>GUPTA       | A Study of standard deviation with example  |
| 53 | 17133055 | AMAN MISHRA               | A Study of Probability, event sample space probability of an event.                     |
| 54 | 17133056 | AMAN PANDEY               | A Study of measures of Dispersion-Range   |
| 55 | 17133057 | AMAN SAKET                | A Study of mean deviation, moments with example   |
| 56 | 17133058 | AMAR KUMAR<br>VISHWAKARMA | A Study of rectangular and exponential distributions, their properties and uses.        |
| 57 | 17133059 | AMAR SINGH                | A Study of mathematical expectation- expectation of sum and product of random variables |
| 58 | 17133060 | AMBUJ KUMAR<br>TRIPATHI   | A Study of moment generating function.  |
| 59 | 17133062 | AMIT KUMAR<br>GUPTA       | A Study of Binomial distribution and related theorem                                    |
| 60 | 17133063 | AMIT KUMAR<br>SAKET       | A Study of measures of central tendency with example                                    |
| 61 | 17133064 | AMIT KUMAR<br>SAKET       | A Study of mean, median, mode with example  |
| 62 | 17133065 | AMIT KUMAR<br>TIWARI      | A Study of standard deviation with example  |
| 63 | 17133066 | AMITESH<br>CHARMKAR       | A Study of Probability, event sample space probability of an event.                     |
| 64 | 17133067 | AMITESH PATEL             | A Study of measures of Dispersion-Range   |
| 65 | 17133068 | AMRIT LAL<br>PRAJAPATI    | A Study of mean deviation, moments with example   |

|    |          |                      |   |
|----|----------|----------------------|---|
| 66 | 17133069 | AMRITA KUMAR MISHRA  | A Study of rectangular and exponential distributions, their properties and uses.        |
| 67 | 17133070 | AMRITA SAKET         | A Study of mathematical expectation- expectation of sum and product of random variables |
| 68 | 17133071 | ANAND KUMAR BHARATI  | A Study of moment generating function.  |
| 69 | 17133072 | ANCHAL PANDEY        | A Study of Binomial distribution and related theorem                                    |
| 70 | 17133073 | ANCHAL SINGH         | A Study of measures of central tendency with example                                    |
| 71 | 17133075 | ANIL BHARTI          | A Study of mean, median, mode with example  |
| 72 | 17133076 | ANILESH GAUTAM       | A Study of standard deviation with example  |
| 73 | 17133077 | ANISH KUMAR PATEL    | A Study of Probability, event sample space probability of an event.                     |
| 74 | 17133078 | ANJALI DUBEY         | A Study of measures of Dispersion-Range   |
| 75 | 17133079 | ANJALI VISHWAKARMA   | A Study of mean deviation, moments with example   |
| 76 | 17133080 | ANJU SAHU            | A Study of rectangular and exponential distributions, their properties and uses.        |
| 77 | 17133081 | ANKIT BHUJAWA        | A Study of mathematical expectation- expectation of sum and product of random variables |
| 78 | 17133082 | ANKIT GUPTA          | A Study of moment generating function.  |
| 79 | 17133083 | ANKIT KUMAR TIWARI   | A Study of Binomial distribution and related theorem                                    |
| 80 | 17133084 | ANKIT KUMAR UPADHYAY | A Study of measures of central tendency with example                                    |
| 81 | 17133085 | ANKIT KUMAR YADAV    | A Study of mean, median, mode with example  |
| 82 | 17133086 | ANKIT MISHRA         | A Study of standard deviation with example  |
| 83 | 17133087 | ANKIT PANDEY         | A Study of Probability, event sample space probability of an event.                     |
| 84 | 17133088 | ANKIT PANDEY         | A Study of measures of Dispersion-Range   |
| 85 | 17133089 | ANKIT PATEL          | A Study of mean deviation, moments with   |

|     |          |                         | example  |
|-----|----------|-------------------------|--|
| 86  | 17133090 | ANKIT PATEL             | A Study of rectangular and exponential distributions, their properties and uses.           |
| 87  | 17133091 | ANKIT SINGH             | A Study of mathematical expectation-<br>expectation of sum and product of random variables |
| 88  | 17133092 | ANKITA PATEL            | A Study of moment generating function.   |
| 89  | 17133093 | ANKITA PATHAK           | A Study of Binomial distribution and related theorem                                       |
| 90  | 17133094 | ANKITA SHUKLA           | A Study of measures of central tendency with example                                       |
| 91  | 17133095 | ANKITA TRIPATHI         | A Study of mean, median, mode with example   |
| 92  | 17133096 | ANNU PATEL              | A Study of standard deviation with example   |
| 93  | 17133097 | ANOOP KUMAR<br>KUSHWAHA | A Study of Probability, event sample space probability of an event.                        |
| 94  | 17133098 | ANSHU SINGH<br>PARIHAR  | A Study of measures of Dispersion-Range  |
| 95  | 17133099 | ANUKOOL DWIVED          | A Study of mean deviation, moments with example  |
| 96  | 17133100 | ANUPAM KUMAR            | A Study of rectangular and exponential distributions, their properties and uses.           |
| 97  | 17133101 | ANURADHA<br>MISHRA      | A Study of mathematical expectation-<br>expectation of sum and product of random variables |
| 98  | 17133102 | ANURAG MISHRA           | A Study of moment generating function.   |
| 99  | 17133103 | ANURAG PANDAY           | A Study of Binomial distribution and related theorem                                       |
| 100 | 17133104 | ANURAG SINGH            | A Study of measures of central tendency with example                                       |
| 101 | 17133105 | ANUSHA MISHRA           | A Study of mean, median, mode with example   |
| 102 | 17133106 | ARATI PATEL             | A Study of standard deviation with example   |
| 103 | 17133107 | ARCHANA SINGH           | A Study of Probability, event sample space probability of an event.                        |
| 104 | 17133108 | ARPIT KUMAR<br>PANDEY   | A Study of measures of Dispersion-Range  |
| 105 | 17133109 | ARPIT SINGH             | A Study of mean deviation, moments with  |

|     |          |                         | example   |
|-----|----------|-------------------------|---|
| 106 | 17133111 | ARUN KUMAR JAISWAL      | A Study of rectangular and exponential distributions, their properties and uses.        |
| 107 | 17133112 | ARUSHI GUPTA            | A Study of mathematical expectation- expectation of sum and product of random variables |
| 108 | 17133113 | ARVENDRA KUMAR KUSHWAHA | A Study of moment generating function.  |
| 109 | 17133114 | ARVIND SAKET            | A Study of Binomial distribution and related theorem                                    |
| 110 | 17133115 | ASHISH KUMAR KUSHWAHA   | A Study of measures of central tendency with example                                    |
| 111 | 17133116 | ASHISH KUMAR SAHU       | A Study of mean, median, mode with example  |
| 112 | 17133117 | ASHISH KUMAR TIWARI     | A Study of standard deviation with example  |
| 113 | 17133118 | ASHISH KUMAR YADAV      | A Study of Probability, event sample space probability of an event.                     |
| 114 | 17133119 | ASHISH SINGH            | A Study of measures of Dispersion-Range   |
| 115 | 17133120 | ASHUTOSH DWIVEDI        | A Study of mean deviation, moments with example   |
| 116 | 17133121 | ASHWANI KUMAR SAKET     | A Study of rectangular and exponential distributions, their properties and uses.        |
| 117 | 17133123 | ATUL GAUTAM             | A Study of mathematical expectation- expectation of sum and product of random variables |
| 118 | 17133124 | ATUL KUMAR PANDEY       | A Study of moment generating function.  |
| 119 | 17133126 | ATUL KUMAR TIWARI       | A Study of Binomial distribution and related theorem                                    |
| 120 | 17133127 | ATUL KUMAR VISHWAKARMA  | A Study of measures of central tendency with example                                    |
| 121 | 17133128 | ATUL KUSHWAHA           | A Study of mean, median, mode with example  |
| 122 | 17133129 | ATUL MISHRA             | A Study of standard deviation with example  |
| 123 | 17133130 | ATUL SINGH              | A Study of Probability, event sample space probability of an event.                     |

|     |          |                             |  |
|-----|----------|-----------------------------|--|
| 124 | 17133131 | ATUL SINGH<br>BAHROLIYA     | A Study of measures of Dispersion-Range  |
| 125 | 17133132 | YUSHI AGNIHOTRI             | A Study of mean deviation, moments with example  |
| 126 | 17133133 | BALENDRA<br>SHEKHAR DWIVEDI | A Study of rectangular and exponential distributions, their properties and uses.           |
| 127 | 17133134 | BASUNDHARA DEVI             | A Study of mathematical expectation-<br>expectation of sum and product of random variables |
| 128 | 17133135 | BHAVNA GUPTA                | A Study of moment generating function.   |
| 129 | 17133136 | BHAVYA SHUKLA               | A Study of Binomial distribution and related theorem                                       |
| 130 | 17133137 | BHUPENDRA SAKET             | A Study of measures of central tendency with example                                       |
| 131 | 17133138 | BRAJENDRA KUMAR<br>SAKET    | A Study of mean, median, mode with example   |
| 132 | 17133139 | BRIJBHAN SINGH              | A Study of standard deviation with example   |
| 133 | 17133140 | BRIJNARAYAN<br>CHANDROL     | A Study of Probability, event sample space probability of an event.                        |
| 134 | 17133141 | BYANKATESH<br>SHUKLA        | A Study of measures of Dispersion-Range  |
| 135 | 17133142 | CHANDRA DEV<br>SAKET        | A Study of mean deviation, moments with example  |
| 136 | 17133143 | CHETAN TRIPATHI             | A Study of rectangular and exponential distributions, their properties and uses.           |
| 137 | 17133144 | DEEKSHA SINGH               | A Study of mathematical expectation-<br>expectation of sum and product of random variables |
| 138 | 17133145 | DEELIP KUMAR<br>RAWAT       | A Study of moment generating function.   |

| 411 | 17133440 | SUDHAKAR TIWARI          | A Study of mean, median, mode with example  |
| 412 | 17133441 | SUDHEER PANDEY           | A Study of standard deviation with example  |
| 413 | 17133443 | SUDHIR KUMAR<br>PATEI    | A Study of Probability, event sample space<br>probability of an event.                        |
| 414 | 17133444 | SULEKHA TIWARI           | A Study of measures of Dispersion-Range   |
| 415 | 17133445 | SUMAN MISHRA             | A Study of mean deviation, moments with<br>example  |
| 416 | 17133446 | SUMANT SINGH<br>GAHARWAR | A Study of rectangular and exponential<br>distributions, their properties and uses.           |
| 417 | 17133447 | SUMIT KUMAR<br>DWIVEDI   | A Study of mathematical expectation-<br>expectation of sum and product of random<br>variables |
| 418 | 17133448 | SUMIT PANDEY             | A Study of moment generating function.  |
| 419 | 17133450 | SUNIL KUMAR<br>SAKET     | A Study of Binomial distribution and related<br>theorem                                       |
| 420 | 17133451 | SUNIL KUMAR<br>SHAH      | A Study of measures of central tendency with<br>example                                       |
| 421 | 17133452 | SUPRIYA GUPTA            | A Study of mean, median, mode with example  |
| 422 | 17133453 | SUPRIYA MISHRA           | A Study of standard deviation with example  |
| 423 | 17133454 | SURAJ CHAURASIYA         | A Study of Probability, event sample space<br>probability of an event.                        |
| 424 | 17133455 | SURAJ KOL                | A Study of measures of Dispersion-Range   |
| 425 | 17133457 | SURAJ SINGH<br>GAHARWAR  | A Study of mean deviation, moments with<br>example  |

|     |          |                         |   |
|-----|----------|-------------------------|---|
| 426 | 17133458 | SURYA PRAKASH GUPTA     | A Study of rectangular and exponential distributions, their properties and uses.        |
| 427 | 17133459 | SWARNA PRATAP SINGH     | A Study of mathematical expectation- expectation of sum and product of random variables |
| 428 | 17133460 | SWATI VISHWAKARMA       | A Study of moment generating function.  |
| 429 | 17133461 | TARUN SINGH             | A Study of Binomial distribution and related theorem                                    |
| 430 | 17133463 | TEJBAHADUR KUSHWAHA     | A Study of measures of central tendency with example                                    |
| 431 | 17133464 | URMILA SAKET            | A Study of mean, median, mode with example  |
| 432 | 17133465 | VAISHNAVI GUPTA         | A Study of standard deviation with example  |
| 433 | 17133466 | VANDANA JAYSAWAL        | A Study of Probability, event sample space probability of an event.                     |
| 434 | 17133467 | VANSHMANI PRASAD TIWARI | A Study of measures of Dispersion-Range   |
| 435 | 17133468 | VARSHA DUBEY            | A Study of mean deviation, moments with example   |
| 436 | 17133469 | VARSHA PATEL            | A Study of rectangular and exponential distributions, their properties and uses.        |
| 437 | 17133470 | VIJAY SAHU              | A Study of mathematical expectation- expectation of sum and product of random variables |
| 438 | 17133471 | VIKAS SINGH             | A Study of moment generating function.  |
| 439 | 17133472 | VIKASH CHATURVEDI       | A Study of Binomial distribution and related theorem                                    |
| 440 | 17133473 | VIKASH KUMAR KUSHWAHA   | A Study of measures of central tendency with example                                    |
| 441 | 17133474 | VIKASH MISHRA           | A Study of mean, median, mode with example  |
| 442 | 17133475 | VIKASH SHUKLA           | A Study of standard deviation with example  |
| 443 | 17133476 | VIMAL KUMAR TRIPATHI    | A Study of Probability, event sample space probability of an event.                     |

|     |          |                       |   |
|-----|----------|-----------------------|---|
| 444 | 17133478 | VINAY TIWARI          | A Study of measures of Dispersion-Range   |
| 445 | 17133479 | VINEET KUMAR TIWARI   | A Study of mean deviation, moments with example   |
| 446 | 17133480 | VINEET SINGH          | A Study of rectangular and exponential distributions, their properties and uses.        |
| 447 | 17133481 | VINOD SINGH           | A Study of mathematical expectation- expectation of sum and product of random variables |
| 448 | 17133482 | VIPIN KUMAR SHUKLA    | A Study of moment generating function.  |
| 449 | 17133483 | VIPIN KUMAR YADAV     | A Study of Binomial distribution and related theorem                                    |
| 450 | 17133484 | VIPIN YADAV           | A Study of measures of central tendency with example                                    |
| 451 | 17133485 | VISHAL KUMAR MISHRA   | A Study of mean, median, mode with example  |
| 452 | 17133486 | VIVEK KUMAR SHUKLA    | A Study of standard deviation with example  |
| 453 | 17133487 | VIVEK SHUKLA          | A Study of Probability, event sample space probability of an event.                     |
| 454 | 17133488 | YASHWANT SINGH        | A Study of measures of Dispersion-Range   |
| 455 | 17133489 | YOGENDRA KUMAR MISHRA | A Study of mean deviation, moments with example   |
| 456 | 17133490 | YOGESH CHATURVEDI     | A Study of rectangular and exponential distributions, their properties and uses.        |
| 457 | 17133491 | YOGESH GAUTAM         | A Study of mathematical expectation- expectation of sum and product of random variables |
| 458 | 17133492 | YOGESH SEN            | A Study of moment generating function.  |
